Harold —
I can't stand it any longer - I have to make a plan of the Hinckley shooting —
I'd like to stop by and see you Tuesday Aug 25 about noon if that's convenient.
I've not had Time to reply properly to your informative letters - my apologies - The GKG takes much more out of me than I thot it would.
Hope that Tuesday will be OK - pls advise on what is to be coming in along Rte ~~355~~ from Harrisburg
cheers
BB
